

ABBY01B USB 3.0 to SATA Adapter

Product Images

Short Description

1. Suitable for 2.5" SATA HDD or SSD
2. Supports UASP

- 3. USB 3.0 SuperSpeed (5Gb/s)
- 4. Simple Plug and Play installation

Description

The USB to SATA adapter easily adds an external 2.5" SATA solid-state drive or hard drive to your PC or laptop, offering a steady and efficient data transmission with transfer rate of up to 6Gbps. The compact size of the device makes it mobile for easy portability, and the adapter is ready for instant use without buying an enclosure and going through the process of installing it. Perfect for transferring large video files and making backups.
