- I/O Port: Headphone

The Pocket 100 is a radio that is small enough to hold in your hand, and powerful enough to pull in those distant AM/FM stations. This radio features a built-in speaker for convenient headphone-free listening. With the Pocket 100's excellent radio sensitivity and reception, built-in speaker, you will be able to enjoy your next day trip, your short journey to the beach, or other travel without missing your favorite radio station.
