

nedis

Webcam

Full HD@30fps | Fixed Focus | Built-In Microphone | Black

This Nedis wired USB webcam allows you to have video calls with friends, family and colleagues. Specially thanks to the wide-angle lens, the whole family is in perfect view when the webcam is on. The full HD resolution (1920x1080p) at 30 frames per second ensures pixel-free images, while the integrated stereo microphones pick up voices clearly and cancel out surrounding noises. The universal stand can be used in two ways: either clip it onto your monitor or place it on your desk.

Features

- Up to Full HD resolution Camera with Stereo Microphone
- Fixed Focus technology and clear videos at resolutions up to 1920x1080 pixels up to 30 fps
- Built-in noise suppressing microphone to improve speech quality
- Thanks to the wide-angle lens, the whole family is in perfect view when the webcam is on
- Smooth video calling and recording perfect for multi-person chat video conferencing
- Multi scene use: live broadcast teaching, video communication, conference calls, picture & recording

Webcam | Full HD@30fps | Fixed Focus | Built-In Microphone | Black
